# Virtual Field Trip/End of Year Party

While there may be many negative aspects of our current school situation, here is one positive for parents. For this field trip, you finally DON'T need to sign a permission slip!! Your child can participate in as much or as little of the trip as they like. Some things will be on a schedule and others can be done at your own pace. If you are limited on data, just don't click on the bonus videos included in each slideshow. Just click on the blue links to each part of the trip below and join us for the group activities when scheduled.

One game that we always play at the Visitors Center is a state symbol challenge. Since we can't play the actual game, we will have a **Zoom game show beginning at 10:00**. The Zoom information will be sent out through Remind/Google Classroom at 9:45 on the morning of the 21st. If you want to study the symbols ahead of time, go [here](#).

**Quizizz monuments and artwork team games.** We will play two team games beginning at 11:00. Students need to use the Quizizz app or go to <https://quizizz.com/join>. They do not need to create an account. I will send out the game codes through Remind at 11:00. I can't send them any earlier because of how Quizizz is set up.

**Lunch on the Bus:** Bring your lunch and join us for our pretend lunch on the bus. If you eat lunch earlier, just bring a snack and visit. I will send out the Zoom information through Remind and Google Classroom about 30 minutes before we start. We will start promptly at 1:00 and end at 1:30.

We will have our **end of year party on Zoom beginning at 7:00**. Before the Zoom, prepare your end of year toast and if you want, submit a talent to our Padlet talent show. Again, Zoom information will be sent out about 30 minutes prior through Remind and Google Classroom.

Parents, feel free to join us for any part of the trip or party as well. Don't feel stressed if your child can't participate in everything. This isn't required. It is only meant to be a fun way to end the year. If you can only choose one thing to participate in, we hope you will join us for the end of year toast Zoom. It would give all of us a chance to celebrate each other and say good-bye before summer. Thanks for being such an amazing group of parents. Your children reflect your kindness. We are eternally grateful to have been a small part of your family's lives.
